OUR TOPPER'S TESTIMONIAL

“ I quite vividly remember Naman sir's classes and the way he planned the lectures. The methodology of teaching using flowcharts and mind maps were quite helpful. Not only did they come handy during revision but also gave a cue about how to approach answer writing in mains examination. Also, the classes of current affairs and the discussion that sir would engage us in.

I would like to mention here that Naman sir was the first person who I came in contact with when I started my UPSC CSE preparation and the organisation of notes he taught was of immense help. Most importantly, the confidence that sir drills in his students right from the beginning goes a long way. Thank you for the immense support throughout
